Re: Surety Contract

Dear Mr. Cates:

A minor point has been raised on the contract for surety for the Small Fry Mine. It is that the contract signed by Mr. Herbert M. Campbell III was not stamped using the Rancher's corporate seal and the signature was not attested to by the corporate secretary.

Enclosed are both signed copies of that contract. If you could attend to this detail and return one of the originals back to this office, final approval will be issued.

Sincerely,

RONALD W. DANIELS
